Will you please give me any needed correction or addition to the enclosed family entry? Also, fill in a brief biography of both of you as suggested below.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If there is no reply to this letter by July 30, I shall assume you are not interested and omit your entry from Volume II.

Dear Cousin:

Just a quick note to thank you for your biography and to tell you that I did not overlook Darlene's family. I wrote her separately to get some details about Jerry and their biography and I failed to put a copy of Darlene's record sheet in your letter. (Enclosed is a copy).

Also, I did not overlook Joyce (or Brenda). Persons attending school (unmarried) and married persons without children are shown with their parents.

Dear Carol:

You have probably heard from your parents that we are now writing a Supplement to *The Merwin Family in North America* which was published in 1978.

Enclosed is a draft of your entry as I got the data from your folks. It is important that Amanda's father be identified in our genealogy so that she or her descendants may one day be able to know her line. Of course, if you would rather not divulge his name, I'll leave it out though it goes against the training of a genealogist.

Please let me know your wishes.

Best regards,

Merwyn

Anna Prettijohn Murwin, wife of Oliver, was b. in England and came to this country with her parents in 1849. In 1860, she moved west to Wisconsin. She joined the First Congregational Church as a young woman and taught Sunday School for many years.

1831-24. George [8] Merwin b. 4 Jul 1843 in Garrettsville, OH; in 1891 living at Fulton, WI; d. 30 Oct 1918 in Fulton, Rock county, WI; bur. there. In Mar 1878 in Minnesota, mar. Mary Huntley. They had no children. He was a blacksmith by trade and occupation.

George Merwin, Sr. learned the trade of shoemaking, probably with his brother, William in Sidney, and his father at Hector, NY. He went to Trumbull, Ashtabula County, OH, in 1833; in 1838 he was in Rome, Ashtabula County; in 1840 to 1844 to Garrettsville, Portage county, OH where he engaged in the manufacture of boots and shoes with his brother, Gould Bradley Merwin; in 1846, he was at Almont, Lapeer County, MI. He returned to Ohio the next spring where he settled until 1855 at Hiram, Portage County, OH. He and his son, Oliver, had made several trips between southern Wisconsin and their home in Garretsville, OH, before deciding to settle in Fulton, WI, in 1854. They operated a grocery store in part of the building now known as teh Wilke house soon after their arrival, but did not purchase the property until 1864 when the son, George II, returned from service in the Civil War. In addition to his grocery business, George II also had a blacksmith shop until 1925; and wqith his brother, Oliver I, ran a boot shop. They believed in being diversified. George Murwin I na dson, Oliver, lived in the housethat most of the local residents remember as the O.P Merwin house.

About 1893 Oliver's two sons, O.P. and Herbert, decided to enter the store business. For a few years they conducted their business on the first floor of Stewart's Hall. In 1897, the old school building which had been located on a lot between their father's house and the Kramer blacksmith shop, was moved to the corner lot when the blacksmith shop was dismantled. The building itself is of historic value because it was the original fram school-house built in 1847, which had been moved to the previous location when the brick school-house was built in 1864-65. A rear wing was added to the building. The brother, Herbert, remained as a partner until 1898 when he went to work at Sears and Roebuck and Compasny in Chicago. He passed away in 1900.

For thirty years O.P. Murwin and his wife, Ella Scofield Murwin, conducted the store. It became a familiar landmark and was the hub of

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed correction or addition to the enclosed family entry? Also, fill in a brief biography of both you and your spouse as suggested below.

Since you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If there is no reply to this letter by August 15th, I shall assume you are not interested and omit your entry from Volume II.

Dear Cousin:

Enclosed is the typed draft of your family entry for the Supplement we are writing to the Merwin Family in North America. Since we are starting to prepare the final manuscript for the printer, please review the enclosure carefully for accuracy. Make any needed correction on the enclosure and return it to the writer.

Some entries lack interesting information on the family head. For example, where he/she attended school, year graduated, degrees earned (name of school and city of location); occupation and employer; military service (dates, grade or rank, branch of service); civic or church service. We will be pleased to include information of this type which you furnish.

Your reply must be received by the writer by September 30, 1982, or we shall assume your entry is satisfactory as drafted.

Sincerely yours,

Dear Cousin:

We need your help in preparing the supplement to the Merwin Family in North America.

Enclosed is a copy of your family's entry in MFNA. Is there any change you feel should be made? Particularly in the personal history section up-dating may be necessary.

If you have children over eighteen years of age, you will find enclosed a Merwin Family Record blank. If your child is married, please complete the family record for him or her and return it to me.

Your help is much appreciated.

Sincerely,

Merwyn

Mrs. Morvent:

Can you forward this to the proper address or sent me the address?

Thanks,

Dear Kelly:

Thank you for the information in your letter dated 14 March.

We need answers to the following questions to complete your family entry:
1) Where were you married? City and state.
2) What is the full name of Randy's father?
3) What is the full name of Randy's mother? Including maiden name.
4) Does Nathan have a middle name?

No, I am not selling books. We are compiling a genealogy of the Merwins, and, since you were born a Merwin, you are welcome to be included in the book. There is no obligation. My only interest is to see that, as far as possible, all Merwins are incuded and their information is as complete and correct as possible.

Enclosed is a draft of your entry as I now have it. Please take a minute and reply. One more thing. When your baby arrives, remember to drop me a line. The book will not be finished for some time yet.

Dear Cousin:

We are writing a Supplement to The Merwin Family in North America (published in 1978). Our purpose is to continue that genealogy from the tenth through the fourteenth generations (from Miles Merwin 1623-1697).

Since you are one of our family, we would appreciate your completing the enclosed family record. Missing items are encircled or indicated by a question mark. There is no charge or obligation on your part. All Merwins should be in the book.

Your cooperation will be much appreciated.

Best regards,

Merwyn

Dear Suzette:

Thank you for your letter of November 9th and your approval of your family entry for the Supplement.

You asked me if you may join our association and what purpose your joining would serve. Since you are a descendant of Miles Merwin (1623-1697), you are welcome to join. The benefits of belonging are several. I sent you a sample copy of the August 1981 Milestones which is a newsletter issued about three times a year. This tells members what the association is doing – for example – family reunions and tells what is happening to Merwins around the world – births, marriages, deaths, achievements, new members of the association, etc. From time to time we issue an address booklet listing all members' names and addresses by state and country. An association booklet is issued every few years. This tells the purpose of the association major accomplishments over the years, names of directors and officers. The annual dues cover only the activities I just mentioned. The preparation and mailing of these

(over)

publications.

In 1978, we published a genealogy of all decendants in the male line of Miles Merwin (1623-1697) called The Merwin Family in North America. It has 1171 pages with many pictures and includes more than 5000 people. In it you could trace your Merwin ancestors back to Miles! Enclosed is an order blank for a copy of the book in case you want to get one. This is the only Merwin family book now in print that I know of.

If you have any further question, do not hesitate to write. I'll be pleased to hear from you at any time.

Best regards,

Merwyn

Dear Merwyn,

I recieved the rough copy of our family entry for the supplement to The Merwin Family in North America.

I looked it over and everything seems O.K.

I wondered, can I join the association and what purpose would it ~~[illegible]~~ be if I did? And what books have been written about the Merwins?

Thank you for the rough draft of our entry.

Dear Sir:

Hello. My name is Suzette Merwin. We got a letter from your company awhile ago. I am Margaret Merwins daughter. I am replying to your request of information concerning my place of birth and my mothers education ect. I was born in Lapeer County General Hospital in Lapeer Michigan. My mother attended Metamora Elementary School in Metamora Michigan, from kindergarten through the 8th grade. then she went to the Lapeer High School, in Lapeer Michigan from the 9th grade through the 12th grade. Where she graduated on June 11, 1964.

She has worked as an accounting clerk at Champion Home Builders in Dryden Michigan. She is now employed at Rowleys Grocery in Attica Michigan. If there is any further questions or this has not been sufficiant enough information please write and tell us so.

I am a little puzzled though as to what this information will be serving. Ive talked to my grandfather about it alittle but am still in the dark as to what exactly this is needed for. I am quite interested, you being family en all. Sort of. Please write and explain. Thank You.

Sincerely,
Suzette

Dear Cousin Suzette:

It was a pleasure to receive your nice letter of May 15th. and to "meet" another Merwin cousin.

Here is why I want information about you and yours. In 1978, the Miles Merwin Association published a book which listed more than 5,000 descendants of one man - Miles Merwin. These were persons through the tenth generation from Miles. We are now writing a book which continues to record the descendants of Miles through the eleventh, twelfth, thirteenth and even the fourteenth generation. (We have found a couple in the fourteenth). For each person, we record his or her name, date of birth, parents, etc., to identify that person as a descendant of Miles. We also like to include a bit about each person (biography) so that the reader can learn something about the person other than dates and places where they were born or married, etc.

Enclosed is a rough draft of your family entry for the Supplement (the book we are writing now). This is just how it will show. Notice you are of the thirteenth generation from Miles Merwin. Does your grandfather have a copy of *The Merwin Family in North America*? His name appears in it on page 917 as the son of Clyde Lafayette^{10} Merwin. Enclosed is a poor photocopy of that page. You could help me with one thing on this family. Can you tell me if your grandfather's mother is still living at 163 W. High St., Metamora? If she has died, can you tell me the exact date of her death?

(over)

One more favor – could you give me the present address of your great uncle Bannister A. Merwin or his son David and the address of Mrs. Rena Margaret Merwin-Swayne or any of her children – Marcia, Matthew or Lori? I must write them for information for the book.

If you have any further question about what I am doing, don't hesitate to ask.

Best regards,

Merwyn

Dear Cousins:

We are in the process of preparing the manuscript for Volume III of The Merwin Family in North America.

Enclosed is a Merwin Family Record sheet. Please fill this out and return it to me. Also, fill out a brief biography of yourself and wife as suggested below.

Since you were born a Merwin, you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Use the enclosed dues form to join.

Please reply promptly since we are closing in on our deadline for publishing.

Best regards,

Merwyn R. Buchanan
